

## Schedule

### Participants

Duque de Caxias (BRA) (South America Cup Winner 2008)  
Ahlhorner Sportverein (GER) (European Cup Winner 2008)

### Procedures

The teams play each other twice on two different days.

The first teams to win four sets wins the game.

If each team wins one game they will play one more set after the second game (a penalty set).

The team which wins either two games or the penalty set is the overall winner.

## **Economics**

The clubs which plan the tournament have to pay the following points:

- They have to pay the accommodation and the food for each delegation in a hotel or "Gasthof" for 3 days.
- They have to pay the accommodation and the food for the persons from the international fistball association for the whole trip.
- They have to pay the accommodation and the food for the referee for the whole trip. The referee will not receive a salary.
- Referees and members of the association are expected to use the cheapest form of transport possible.
- They have to pay the travel costs for all participants from the accommodation to the training and tournament grounds.
- Any other administration costs resulting from preparation or performances should also be borne.
- The international fistball association should be payed a total of 300 Euro for the tournament within the four weeks after the tournament has finished.

The teams have to cover their own costs both to and from the tournament and all other costs except the points above. (look to the regulation "World Cup").
