This must be returned on departure.

Nationals being in need for Visa to enter Germany are required to contact the respective German embassy or consular section being responsible for your country.

Nationals who require a visa to enter Chile should contact the Chilean embassy or consular section responsible for their country. A list of countries whose citizens are subject to this requirement, please visit the Servicios Consulares website of the Ministry of Foreign Affairs:

<https://www.consulado.gob.cl/cuadro-de-visas-y-aranceles-de-chile>

Visas are issued by the mission responsible for the area in which the applicant has his/her ordinary residence or domicile.

Participants being in need for Visa are requested to register online as mentioned above prior to the deadlines given.

The International Fistball Association will **upon request** send invitation letters to the respective Federation.

The Organizers would like to underline that Visa procedures are the responsibility of the applying person/s. In any case but in particular in the case of late registration or failing respective procedures the Organizers are not responsible for the participant's visas.
