11. VISA INFORMATION

Athletes and staff members must apply for a visa in Argentina at one of the Argentine diplomatic missions, unless they come from one of the countries that are exempt from the visa requirement. They can also enter the country without a visa for up to 90 days. These include the countries of the European Union, Switzerland and South America.

An overview of which nations require a visa can be found on the website official portal of the Argentine State: <http://www.migraciones.gov.ar/accesible/indexdnm.php?visas#N>

Visas are issued by the mission responsible for the area in which the applicant has his/her ordinary residence or domicile. Participants being in need for Visa are requested to register as mentioned above prior to the deadlines given.

The International Fistball Association will **upon request** send invitation letters to the respective Federation.

The Organizers would like to underline that Visa procedures are the responsibility of the applying person/s. In any case but in particular in the case of late registration or failing respective procedures the Organizers are not responsible for the participant's visas. The Organizers however will be glad to assist when questions on Visa procedures should apply.

The Organizers would also like to stress strongly that no visas will be issued at the Argentine passport control and all documentation has to be prepared beforehand.

12. SOCIAL MEDIA AND WEBSITE

We would be glad if the participating clubs use the hashtag #FistballWWC and #WeAreFistball to inform the spectators about every activity within the context of the IFA 2024 Fistball Women's World Championship Argentina.
