Organization Plan Part I "Member Federations"

GENERAL

A. Basics

All rules, commitments and arrangements, which have to do with the realization and organization of this World-Games-Fistballtournament 2009 medium or long term, will be codified in this document.

These commitments are based on the regulations "World Games" of the International Fistball Association (IFA) of 1 April 2007 and the other IFA regulations and the official game rules of the IFA.

All other arrangements are valid according to the rules of the world games of the International World Games Association (IWGA).

The information for the organizer is included in the **Organization Plan part II "Organization"**.

B. Range of Validity

The Organization Plan (incl. the attachments) for the WG-Fistball-Tournament 2009 from 17 July until 20 July 2009 in Kaoshiung (TPE) is valid as basic document for all participating people of the IWGA and the IFA. According to this it is binding upon all participating member associations (active player and other delegates and responsible collaborators of the organizing committee of the World Games), members of the IFA-Board, media representatives and for referees and linesmen.

The IFA-Board reserves the right to fix appropriate consequences in case of non-compliance of these instructions (fine up to Euro 250.00 in individual cases).
