

FISTBALL ACADEMY – Task Force

Terms of Reference for members of the Task Force

MANAGEMENT and OFFICIAL REPRESENTATIVES

1. The Fistball Academy (“Academy”) is a platform to promote knowledge exchange, learning, and the flow of information and communication in the international fistball family.
2. As defined in the Academy Governance Framework, the Academy comprises two bodies: Academy Committee and Academy Task Force.
3. These Terms of Reference discuss the generic and specific role of members of the Academy Task Force: Management and Official Representative (unpaid).
4. The role of the members of the Task Force Management and Official Representatives includes, but is not limited to the following:
 - a. Provide advice and guidance to the Academy Committee and Task Force in matters related to sports administration. This includes advice with regards to which elements of sports administration and sports administrative workflows may be relevant, and thus could be featured on the Academy. It may also include identifying best practices and lessons from fistball and other sports, i.e. international and national sports organizations and administrations;
 - b. Identify learning needs among key stakeholders (i.e. fistball officials, functionaries), respectively sub-stakeholder groups, and inform the Academy Committee of these needs;
 - c. Identify learning courses and/or resources that would add value to the Academy curricula and/or learning menu;
 - d. Draft and review new learning materials, i.e. courses and resources for the Academy (i.e. quality control);
 - e. Participate in formal Academy Task Force meetings / conference calls (i. e. four times per year), and in informal meetings/conference calls, bilaterally with other Academy Task Force members.
5. Expected time commitment:
 - a. As the full scope of the Academy still needs to be defined/determined, it is difficult to quantify the expected time commitment at this time;
 - b. Having said that, the members of the Task Force Management and Official Representative would ideally dedicate as much time as they could comfortably afford to give to the Fistball Academy and the broader fistball community.
