The organizing committee is currently in the process of securing the following venue for all athletes and officials. If supporters wish to stay in the same venue it will be at a first in, first served basis.

The University of Canterbury's largest new accommodation build to date, Tupuānuku offers 504 fully-furnished student rooms in 2021 with a focus on culture and lifestyle. Located amongst other halls of residence, the location on Homestead Lane (adjacent to the Ilam Homestead and gardens) is a short 5 minute walk to main campus facilities. The layout consists of long corridors divided into smaller colour-coded neighbourhoods or kāhui.

Tupuānuku includes:

- Single rooms (approx 11-13m²) x 375 with shared bathroom (1:4 ratio)
- Rooms contain king single bed, desk, chair, bookshelves, and double wardrobe with lockable drawer

More information: <https://www.canterbury.ac.nz/life/accommodation/halls/tupuanuku/>

Location:

The accommodation is 20km from the venue (approx. 20-25 min by car)

Mass accommodation:

We are working to organize a mass accommodation (e.g. a gym or similar) on a very cheap basis (about 5 EUR per night). You need to bring your own sleeping bag etc.

It is still an option to stay in the mass accommodation, and still have meals at the university, for the cost of catering only.
