Please fill in the entire team. The respective players can be marked for each tournament (column 'active'). Supplements are possible at any time.

With my signature I confirm that the above mentioned players are eligible for my club team at the moment and that I will not use players others than those mentioned above throughout the tournament.

In case of uncertainties concerning the eligibility of one or more of my players I agree to transfer evidence for the eligibility within 7 days to office@ifa-fistball.com.

The responsible IFA delegate is the only contact person for the implementation of the IFA criteria for the tournament by host and/or participating club teams.

In case of a (legal) dispute (eg eligibility of a player) the IFA delegate collects the relevant material.

This material is immediately transferred to the IFA-Executive Board (office@ifa-fistball.com) for a final decision.

Objections against the eligibility of players of other club teams must be reported to the IFA delegate before the tournament's end. They will be processed according to the rules of IFA's legal order.

Objections against the eligibility of players or against the ranking of a team after the end of the flower ceremony are not possible.
